

Kayefet – A message from our *Kayefet* Coordinator

My name is Teshy Wellman and I'm the new coordinator of our wonderful *KAYEFET* (after school) program. I've been at SDJA for the last 15 years working in the lower school office, preschool office, and teaching ESL. I am very familiar with the program and have worked closely with Mina Cohen (our previous *Kayefet* coordinator) over the past few years helping coordinate the program.

I am very excited to be running the *Kayefet* program this year. Over the last few weeks I have been working to develop new ideas for our after school program. Our *Kayefet* program is designed to bring services to our parents that need after care for their children, and also for children that want to learn and have fun with their friends.

I would like to invite all of our students, Kindergarten through 5th grade, to become involved and join our wonderful classes. This program will run Monday through Friday from 3:00 pm to 4:15 pm for 4 to 10 week sessions, depending on the months.

The *Kayefet, the After School care Program* Handbook is on the SDJA website, as is the registration and enrollment information. http://www.sdja.com/pages/resources/kayefet_registration.pdf. Please hand in your registration forms to the lower school office.

If you have any questions or you need to make any schedule changes "as needed/ drop in" basis throughout the year, please contact me at twellman@sdja.com or 858-704-3866.

I hope to see you soon.
