Focuses on engaging children's imagination and creativity, “Lions and cobras and swans oh my” does not worry about perfection of the poses and does not force children physically into a pose. “Lions and cobras and swans oh my” is created to boost children's self-esteem and body awareness, encourage creative thinking and positive intentions, with physical activity that is noncompetitive. When presented in a child's language, yoga can help counter the stress experienced by young people living in a hurry-up world. By learning techniques for self-health, relaxation, and inner fulfillment at an early age, kids can navigate life's challenges with a little more ease. Instructor: JoAnn Hardy, SDJA Director of School Advancement and founder of OGYoga
