## SAN DIEGO JEWISH ACADEMY Parking Guidelines

---

As part of our increased security efforts, SDJA has instituted a parking permit program. Permits should be displayed in the lower left hand corner of your car windshield. Permits may be obtained by contacting the Facilities Department for a *parking permit request form*.

SDJA has set aside designated parking stalls for handicap individuals (blue), campus visitors (green), and emergency personnel (red). Out of respect for these individuals, and to protect the safety of our school population, we ask that you please keep these areas clear and available for their designated purpose

Parents may use the open parking lot stalls that are not colored red (emergency personnel), or green (visitor). Handicap parking is available in front of the Administration Building and Upper School Office, for individuals with the appropriate DMV parking placard. No individuals are authorized to park on sidewalk or courtyard areas.

Security staff patrol the parking lot areas and place reminders on any vehicle incorrectly parked. Continued parking violations may result in further action.
