

### **AP Economics**

Please note that past editions of textbooks from older siblings or friends will not be acceptable for the 2012-2013 AP Economics courses. Students will need the current editions posted at SwoopThat.com due to update material

### **AP Microeconomics Summer Assignment**

Read *Keynes Hayek, The Clash That Defined Modern Economics*.

What did you think of the book? What do you view the positions of the two economists being discussed? How do their positions relate to each other? How do their positions relate to the US and world as we see it today? Where do you come out?

Discuss the book and your opinions in a 4-5 page essay.

### **AP Macroeconomics Summer Assignment**

Read *Naked Economics*

What did you think of the book? What did you find interesting, what did you find questionable? How does this apply to your world, how does it apply to the world in general? What questions did it raise in your mind?

Discuss the book in a 3-5 page essay.
