

# REPORT ON PHILANTHROPY 2021/2022

## A Message From Our Leadership

Dear SDJA Supporters,

Thank you for all you do to support San Diego Jewish Academy! Students and families look to SDJA for so many reasons—excellent academics, a nurturing environment, meaningful Jewish experiences, instilling our cherished values, and much more. Last year was an especially exciting and important one at SDJA. We opened our state-of-the-art Ana “Janche” Galicot Performing Arts Auditorium/ Merkaz Tarbut, providing incredible opportunities for students to grow and develop, on and off the stage. We launched our new Wellness Initiative to increase social and emotional support and learning throughout the school, enabling us to “never miss an opportunity” to engage the whole student. Our Center for Innovation and Entrepreneurial Thinking continued to expand, offering cutting edge, real world learning experiences for students individually and across classes.

These are just a few examples of the many ways your support enables SDJA to engage students every day in meaningful, relevant learning experiences. Our faculty and teachers also infuse Jewish learning and values throughout the day and year. Together with you, we develop future leaders who will make contributions to their communities and to the Jewish people.

With sincere gratitude – *todah rabah*,
